

1) Lokrajya Masik Free Distribution Programme: Name of the Activity: Lokrajya Masik Free Distribution Programme Name of the Resource Person: Shri. Amit Malode No. of Participants: 20 Date of the Activity: July-August 2017-18 Venue: Central Library of the College Objective of the Activity: 1. To enable students to develop reading habit. 2. To equip students develop reading speed , fluency, general knowledge and academic achievement. 3. Development students mind and gives excessive knowledge and lessons of life. Methodology: Direct distribution to the students. Report of the Activity: Department of the library decided to distributed 'Lokrajya' periodicals free of cost. Librarian Mr. A. V. Malode inaugurated Lokrajya periodical distribution ceremony. All library staff welcomed the students and distributed periodical attained students. All the participated students unlighted getting Lokrajya. Outcome of the activity: Enable students to have effective study skill, knowledge of different information resources and effective retention capacity. Reading is an essential tool for knowledge transfer and the habit of reading is an academic activity that increases skill in reading strategies.

2) Microbiology Consultancy Service: Title of Practice: Microbiological Consultancy Service Department of Microbiology has been carried out consultancy services like antimicrobial activity and microbial culture supply for research work. Goals: To provide research services i.e. antimicrobial activity to research students. To provide microbial cultures for research work. The context: Many students work in research areas like chemical science and biological science. Some of these students are mainly working on novel chemical derivatives and some are working on plant extract. Some of these chemical and biological compounds can be used against microorganisms, as a potential novel drug/compound. The students from chemistry and botany backgrounds have either lack of knowledge or practice of microbiological producers used for finding drug/compound activity against microbes. These students are also deficient in the microbiology experts for finding potential novelties of their compounds. Our department provides the services for these students in their research work, to find out the activity of their compounds against microbes. The microbiologist requires a genetically identified culture of microbial species for their research work or practical. Our department provides genetically identified cultures to the needy. The Practice: As our consultancy service is known in nearby institutes, research students approach us with their compounds. As these compounds are having potential novelty. While collecting their compounds, we maintain the secrecy by a mention on it as a Sample. The technician collects samples and processes as per the standard procedure required for the compound. The expert microbiologist observed the results and finalises the report on the activity of the compound. The final report will be shared with the researcher. Evidence of Success: Many research students are satisfied with this consultancy service. Involvements of the students from different institutes are increased. Problems Encountered and Resources Required: The persons which are working in the consultancy services are also involved in different academic activities and have responsibilities have to carry to the persons. Hence sometimes we cannot accept compounds from some of the research students who want to use our service in a time-bound manner. Notes: This consultancy practice Microbiological Consultancy Service is vigorous. This practice provides relief to the research students, particularly those from the non-microbiological background. The faculty and technical assistant remain active and updated towards their technical knowledge.

3) Eco friendly Ganpati Visarjan Activity: Name of the activity: Eco friendly Gandpati Visarjan Activity Name of the resource Person: Dr. Sudhir Shivnikar Date of the Activity: 25 August to 05 Sept. 2017 Methodology of the Activity: In the Ganeshustav programme the students were informed about the eco- friendly Ganeshostav on the notice board. Objective of the programme: Explaining the importance of eco friendly Ganpati from the point of view of environmental protection. Creating environmental awareness among students. Report of the Activity: Eco friendly Ganpati Utsav is celebrated in the college every year, Environmental supplementary Ganpati Utsav is celebrated under the guidance of Dr. Sudhir Shivnikar, head, dept. of Environmental Science. Ganpati made from clay is

immersed without the use of any chemicals. At that time explained the importance of eco-friendly Ganpati under the guidance of Dr. Shivnikar, an environmentalist. Outcome of the activity: Ganpati immersion in the college is done in an environmental friendly manner every year keeping in view the environmental safety and environmental awareness.

4) Free Book Distribution Activities: Name of the Activity: Free book distribution Activity of Urdu Department. Name of the Resource Person: Dr. I. A. Khan Date of the Programme: For the Academic year of 2017-18 No. of Beneficiaries Students: 27 Methodology: Written notices and instructions are issued to Urdu students and they are informed about the distribution of books. Brief Report of the Activity: The head of Urdu Department purchased books at the cost of 5000/- Rs at his own expenses and distributed them free of cost to UG students of Urdu. A total of 27 students took advantage of this. Outcome the activity: Free book distribution initiative has facilitated the teaching and learning process as students in the Urdu department have not experienced any problem or difficulty with books. Poor students overcome difficulties in the study process.

5) A workshop on "Stress Management in working women" Name of the activity: A workshop on "Stress Management in working women" Name of the Resource Person: Miss. Isha Deshpande Date of the activity: 05-10-2017 No of the Participants: 13 Report of the Activity: Jagar stri shakticha programme was organized on 5th October 2017. A workshop on "Stress Management in working women" was organized in which Dr. Nandakumar Mulmule, Neurologist delivered lecture and interacted with working women of the college. In second session a Kirtan was arranged. A XI class student of our college Miss. Isha Deshpande delivered a kirtan on Hirkani with shahir and powada. For 2 hours she elaborated the story of Hirkani a wife of Sardar in the kingdom of king Shivaji Maharaja On 29th November 2017 female professor and students of our college visited Samvedana Celebrate Palsi Development Kendra, Latur and inspected the project. And he also interacted with the students of Bhatke Vimukat Vikas Pratisthan Keshavnagar dist Osmanabad. The amount collected by the female professor was donated to the establishment (Amount 4701/-). The Study tour was attended by 13 female teacher and 02 students. Outcome of the Activity: The programme is useful for the managing stress and tension in women through the women empowerment programme the programme is used to lead a stress free family and social life. The study box provided by various institutes will benefit women teachers in the process of teaching and learning. The experience gained from the actual project visit will benefit the teaching process in the classroom.

6 LIFE AND TEACHING OF GURU GOBIND SINGH JI GOAL: 1. To make acquaintance of life of Guru Gobind Singhji to students. 2. To instill values of equality, planning, management and cultural ethos among students. 3. To inspire students regarding social service, nationality and national integrity through traits of his life. THE CONTEXT: The Guru Gobind Singh ji, the tenth guru of sikhs, and a spiritual master breathed his last at Nanded. The context goes back to the practice adopted by Guru Gobind Singh ji when he reached Nanded 300 years ago i.e. circa 1708. He was a spiritual guide, A warrior and the same times a great philosopher. He instilled in the minds of youth values such as equality, planning, management, sacrifice, leadership and cultural ethos. THE PRACTICE: On the birth anniversary of Guru Gobind Singhji, the students of the college schedule an array of activities involving religious discourses, rendition of "SHABAD" songs, student give demonstration of arms use named as "GATKA PRADARSHAN" and most importantly "LANGAR" (food for all without caste and class distinction) Basically the practice involves these stages – 1. INVITING REPUTED PHILOSOPHERS FOR DISCOURSE 2. RENDITION OF 'SHABAD' SONGS 3. ARRANGEMENT OF LANGAR EVIDENCE OF SUCCESS: It took around 17 years to achieve this benchmark. Today almost all the students of the college participate in the event. The programme stresses the need that all human beings are equal and it is necessary to bring everybody on an equal plane. The focus of the college now is to extend its activities

to guide students towards holding campaigns against addiction and bring about a seachange in the attitude of the youth of the society. The practice although appears religious has a relevance related to 'philosophy'. Name of department – HINDI Name of organizer – Dr.Parvinder Kaur Mahajan
